**SEQUESTERED SOLUTIONS ALASKA, LLC. ANNOUNCES SUCCESSFUL COMPLETION OF MSPALLIANCE
MANAGED SERVICES ACCREDITATION PROGRAM**

SEQUESTERED SOLUTIONS ALASKA, LLC. joins program providing assurance of quality, and reliability for current, potential customers; vendor-neutral benchmarking for Managed Services practitioners worldwide

ANCHORAGE, ALASKA, APRIL 16, 2009, SEQUESTERED SOLUTIONS ALASKA, LLC. today announced that it has received accreditation under the MSPAlliance's (MSPA) Managed Services Accreditation Program (MSAP). MSAP is the first program of its kind, specifically designed and created to provide customers of managed services providers with the assurance that the services provider they hire meets or exceeds the highest principles of quality in areas such as financial stability, facilities, managed services practices, and customer satisfaction.

"The Managed Services Accreditation Program is a rigorous program that benchmarks and verifies the quality of the company providing managed services," said Charles Weaver, MSPAlliance president. "We are very proud to have SEQUESTERED SOLUTIONS ALASKA as a part of this prestigious body of MSPs."

MSAP was created, using a wide base of criteria that will properly encompass a wide range of managed service providers. By covering buying and service delivery criteria that matter to customers, the MSAP certification

program tracks and measures a satisfactory level of professional and business practices, helping MSPs to consistently deliver superior services to their clients.

“SSA is proud to be a part of this exclusive worldwide group of MSPs. Using defined processes and our patent-pending BrainyRack™, SSA has delivered over 1.8 million minutes of equipment availability to its clients,” said Sam Morales, SSA CEO.

The MSPAlliance, with over 8000 corporate members worldwide, is committed to increasing reliability and dependability in the industry surrounding the value and benefit of using Managed Service Providers to provide a wide range of mission-critical services. In addition, the MSPAlliance collects data on the practice of managed services on behalf of its members, to help them increase the value delivery of IT to the organizations they serve.

About Sequestered Solutions Alaska, LLC

SSA delivers service to clients with its exclusive patent pending BrainyRack™ that monitors all of internal essential functions and is capable of handling multiple types of power in and power out, turning dirty power to clean performance. The BrainyRack™ has no inherent Single Point of Failure and can easily accommodate 33 Rack Units of equipment.

Sequestered Solutions recently began offering DataCenter Vault™, its new Software as a Service product that provides secure on-line data storage and Continuous Data Protection.

About MSPAlliance

The MSPAlliance is a professional association of over 8,000 managed service providers and service-enabling technology vendors, who work in a collaborative effort to define, promote and educate the Managed Services Industry and the end-user consumer on the adoption and successful use of technology through Managed Services. MSPAlliance member companies' are able to achieve Green IT Certifications, Disaster Recovery Certifications, and ultimately achieve MSPAlliance Accredited Provider Status. The MSPAlliance also offers many member benefits, such as Insurance, leasing programs, educational workshops and an online Managed Services Institute.
